**NOTICE OF CORRECTION OF MAIN BRIEF OF
KENTUCKY INDUSTRIAL UTILITY CUSTOMERS, INC.**

Kentucky Industrial Utility Customers, Inc. ("KIUC") wishes to make several typographical corrections to its Main Brief, dated December 22, 2003 in the above-captioned matter. Deletions are indicated by a "strike-through" and additions are indicated in brackets.

1) On page 1, paragraph 1, the second sentence should read: "During the test year of Kenergy's long awaited cost of service study that separately tracks the cost of serving direct service customers, KIUC Members paid Kenergy a total of ~~\$467,203~~ **[\$837,700 in Distribution Fees, providing Kenergy with a total of \$467,203 in Operating Margins]**, despite the fact that Kenergy has no investment in meters, substations, or any other distribution facilities to serve these customers."

2) On page 14, the fourth sentence in the second full paragraph should read: "Accordingly, the evidence reflects that the Energy Charge to the Smelters should be reduced [to] \$0.000025 per kWh."

3) On page 14, the fourth sentence in the third paragraph should read: "Accordingly, the evidence reflects that the Energy Charge to the Smelters should be reduced [to] \$0.000025 per kWh."

4) The last sentence of Argument # 4, which is on page 15 should read: "The administrative costs incurred by Kenergy attributable to the Big Three Industrials should be collected through a Customer Charge to each of the Big Three Industrials of ~~\$2,519~~ [\$2,028] per month."

5) On page 21, second full paragraph, 3 lines down the quantity: "\$469,320" should be changed to "496,874."

Respectfully submitted,

Michael L. Kurtz, Esq.
